

09:00–10:00	Registration of participants. Welcome coffee.	
Plenary session. Grand Hall <i>Chairs: Boytsov S.A., Chazova I.E., Kukharchuk V.V., Ezhov M.V., Sergienko I.V.</i>		
10:00–10:10	Opening. Opening. Greetings. Boytsov S.A., Chazova I.E.	
10:10–10:30	Alberico Catapano (Italy). Lipid Clinic Network Initiative: news from the EAS.	
10:30–10:50	Lale Tokgözoğlu (Turkey). New era in lipid lowering therapy.	
10:50–11:10	Peter Lansberg (Netherlands). Reducing CVD risk why “earlier” is superior compared to “aggressively”.	
11:10–11:30	Kausik Ray (UK). Reimagining Cardiovascular Disease Prevention-a vision for the future.	
	Grand Hall	Polyanka Hall
11:30–12:30	Symposium Integration of approaches in the treatment of dyslipidemia (with the support of Novartis) Chair: Boytsov S.A. (Moscow) <ol style="list-style-type: none"> Kausik Ray (UK). The ORION program and what does it mean. Sergienko I.V. (Moscow). Principles of dyslipidemia management. Ezhov M.V. (Moscow). ORION: hunting for LDL Cholesterol. 	Symposium "Dyslipidemia – everything new and relevant". Chairs: Karpov Yu.A. (Moscow), Kononov G.A. (Moscow), Arabidze G.G. (Moscow) <ol style="list-style-type: none"> Meshkov A.N. (Moscow). Screening of FH in the Russian Federation. Korneva V.A. (Petrozavodsk). Optimal treatment of FH. Kosmacheva E.D. (Krasnodar). Treatment of dyslipidemia in real practice – LEADER. Yakushin S.S., Pereverzeva K.G. (Ryazan). Treatment of dyslipidemia in real practice: REKVAZA (2012) – REGATA (2021) registers.
12:30–13:00	Lunch.	
13:00–14:00	Symposium "Atherosclerosis Pandemic: how to achieve goals?" (with the support of Egis) Chair: Obrezan A.G. (St. Petersburg) <ol style="list-style-type: none"> Ezhov M.V. (Moscow). Atherosclerosis pandemic in Russia. Sergienko I.V. (Moscow). How to achieve ambitious goals? New opportunities. Akhmedzhanov N.M. (Moscow). Atherosclerosis – Obvious /Incredible. 	Symposium "Atherosclerosis – everything new and relevant" Chairs: Shalnova S.A. (Moscow), Voevoda M.I. (Novosibirsk), Pokrovsky S.N. (Moscow) <ol style="list-style-type: none"> Michal Vrablik (Czech Republic). Genetics of CVD: Is it time to use it in practice? Ragino Yu.I. (Novosibirsk). Calcification of atherosclerotic plaques in coronary arteries. Shaposhnik I.I., Genkel V.V. (Chelyabinsk). The ratio of coronary and peripheral atherosclerosis. Balakhonova T.V. (Moscow). Atherosclerosis of the carotid arteries and rheumatoid arthritis.
14:00–14:30	Coffee break	
14:30–15:30	Symposium "PCSK9 Inhibitor - an innovative solution in cardiovascular risk management" (with the support of Amgen LLC) Chair: Bubnova M.G. (Moscow) <ol style="list-style-type: none"> Bubnova M.G. (Moscow). Actual issues in the treatment of dyslipidemia. Konstantinov V.O. (St.Petersburg). The role of combined LLT in reducing of cardiovascular risk. Timoshchenko E.S., Nekrasov A.A. (Nizhny Novgorod). Practical aspects of using PCSK9 inhibitors. Experience in providing innovative lipid-lowering therapy in Nizhny Novgorod. 	Symposium "Important issues of reducing residual cardiovascular risk" (with the support of Abbott) Chair: Ezhov M.V. (Moscow) <ol style="list-style-type: none"> Sergienko I.V. (Moscow). Jump from total cholesterol to non-HDL cholesterol: SCORE-2. Gurevich V.S. (St.Petersburg). A personalized approach to reducing residual risk. Ezhov M.V. (Moscow). New possibilities of a fixed combination of rosuvastatin and fenofibrate.
15:30–15:45	Break	
15:45–16:45	Symposium "Lipid-Lowering Therapy 2021: everything that clinician needs to know" (with the support of Sanofi) Chair: M.V. Ezhov (Moscow) <ol style="list-style-type: none"> Ezhov M.V. (Moscow). The role of dyslipidemia in the picture of cardiovascular mortality in the Russian Federation. Ershova A.I. (Moscow). Lipidology news 2021: the essence of clinical guidelines. Filipov A.E. (Санкт-Петербург). Modern approaches to intensification of Lipid-Lowering Therapy: three steps to a global goal. Vezikova N.N. (Petrozavodsk). Routing of patients with dyslipidemia in real clinical practice. 	Symposium Secrets of effective lipid center operations (with the support of Novartis) Chair: Kukharchuk V.V. (Moscow) <ol style="list-style-type: none"> Gurevich V.S. (St.Petersburg). Know how of effective lipid center operations. Voevoda M.I. (Novosibirsk). Specifics of dyslipidemia patients routing. Kashtalap V.V. (Kemerovo). Organization of medical care for patients with dyslipidemia in the Kemerovo region.
16:45–17:45	Symposium "Treatment of coronary heart disease: from the present to the future" (with the support of Berlin Chemi) Chairs: Bubnova M.G., Karpov Yu.A. <ol style="list-style-type: none"> Karpov Yu.A. (Moscow). Treatment of coronary heart disease: does the future look better? Bubnova M.G. (Moscow). Cardiorehabilitation: when, for what and how. 	16:45-17:00 Wrap Up

НАЦИОНАЛЬНОЕ ОБЩЕСТВО ПО ИЗУЧЕНИЮ АТЕРОСКЛЕРОЗА RUSSIAN NATIONAL SOCIETY OF ATHEROSCLEROSIS

PROGRAM

XIV Annual Scientific and practical conference of the Russian National Atherosclerosis Society with international participation dedicated to the 80th anniversary of Corresponding Member of the Russian Academy of Sciences, Professor V.V. Kukharchuk

Lipids and atherosclerosis. Is the ending known?

November 4, 2021

Moscow, Voznesensky Lane, 7.
Courtyard Marriott Moscow City Center Hotel

Председатели организационного комитета:

Kukharchuk V.V. (Почётный председатель)
Boytsov V.A. (Почётный председатель)

Ezhov M.V. (Председатель)
Voevoda M.I. (зам. председателя)

Gurevich V.S. (зам. председателя)
Sergienko I.V. (зам. председателя)

Секретариат: Попова А.Б., Нозадзе Д.Н., Тмоян Н.А., Прус Ю.А., Чубыкина У.В., Бурдейная А.Л.

Научно-организационный комитет

Абдуллаев А.А. (Махачкала)
